

Your Path to a Degree Starts Here

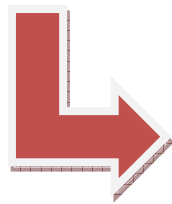

Turn your apprenticeship, training and job experience into a college degree.

1. Apply to NLC

- Complete online application
- Submit verification of union membership or sponsorship

2. Request official transcripts from

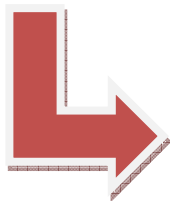

- accredited community colleges and universities
- ACE Assessed Apprenticeships and Training
- CLEP
- military
- various union partners

3. Earn up to 30 additional credits through Prior Learning Assessment

- enroll in the Prior Learning Assessment workshop
- work with online instructors to develop and complete a written portfolio of your prior learning
- submit your completed portfolio and verifying documentation to NLC for a review

4. Work with an NLC advisor to

- determine what credits may be needed to complete degree requirements
- develop an academic plan
- enroll in classes for the upcoming semester
